# React anyagok tanuláshoz

## Hivatalos tutorial

- https://reactjs.org/docs/hello-world.html
- https://reactjs.org/tutorial/tutorial.html

## React alapok:

- https://medium.freecodecamp.org/all-the-fundamental-react-js-concepts-jammed-into-this-single-medium-article-c83f9b53eac2

## Router bevezet

- https://blog.pshrmn.com/entry/simple-react-router-v4-tutorial/
- https://scotch.io/tutorials/routing-react-apps-the-complete-guide
- (Hivatalos: https://reacttraining.com/react-router/web/guides/quick-start)

## API-hoz kapcsolódás:

- https://css-tricks.com/using-data-in-react-with-the-fetch-api-and-axios/

## Redux bevezet (state management):

- https://css-tricks.com/learning-react-redux/
- https://www.valentinog.com/blog/redux/
- (Hivatalos oldal: https://redux.js.org/)

## Server rendering

- https://reactjs.org/docs/react-dom-server.html
- https://medium.com/front-end-weekly/server-side-rendering-with-react-and-express-382591bfc77c
- Ha kifejezetten SSR-re van szükség ajánlom még (keretrendszerek React SSR-re):
    - https://github.com/jaredpalmer/razzle
    - https://nextjs.org/

## Áttekint, linkek:

- https://medium.freecodecamp.org/learning-react-roadmap-from-scratch-to-advanced-bff7735531b6

## Egyéb hasznos források:
